## BLINK<sup>Rx</sup>

STEP 1

**Prescriber:** In your EMR, e-prescribe LODOCO to **BlinkRx U.S. Boise, Idaho**.

STEP 2

**BlinkRx contacts your patient:** They will contact your patients with a confidential text, determine their copay, and apply the LODOCO savings card discount for commercially-insured, eligible patients.

STEP 3

**Your patient's Rx is delivered to them:** BlinkRx arranges for free home delivery and collects payment through either their mobile platform or over the phone.

## marleydrug<sup>®</sup>

**START** by searching for "Marley Drug" in the EMR system's retail pharmacy search tool

Confirm "retail" pharmacy is selected when conducting a search

Ensure any other limiting search criteria are unselected
